

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

We urge you not to change the current regulations that would impact the competition that the small isp provides. Without that rates would skyrocket and many users would be effected. Deregulation is to provide competition. It is the small fry that provides it.

Sincerely,
